

# APPOINTMENTS

**MAIN PAGE**

- Present day will be highlighted in grey.
- Total appointments in a day will be highlighted in purple as per in the display.

- Upon clicking, users will be able to navigate to previous or the following month.

- Drop down menu.
- Users will be able to choose the options (page 5).

The screenshot displays the CLINICORE interface. At the top, the date is February 4, 2020, and the time is 08:23. The main section is titled 'APPOINTMENTS' and features a calendar for December 2019. The calendar shows days of the week (Sun to Sat) and dates. Some dates are highlighted in red (1, 8, 15, 22, 29), and others in purple (2, 4, 11, 18, 25, 31). A sidebar on the left contains navigation icons for Patients, Appointments, Diagnostic Report, Billing, Expenses, Inventory, Medical Certificate, Financial Reports, and Backup & Table Setup. A modal on the right shows appointment details for two time slots: 9.00 - 10.00 AM and 1.00 - 2.00 PM. Each slot lists Patient ID, Patient Name, Doctor ID, Doctor Name, and Status. The status for the first slot is 'Completed' and for the second is 'Awaiting'. Red arrows point from the text boxes to specific UI elements: the present day (Feb 4), the calendar, the appointment details modal, and the sidebar.

- Upon clicking, users will be able to see the total appointments for the day in the queue page (page 28).

- Users will be able to click and choose the date on calendar (page 4).

- Upon clicking the add button, users will be able to proceed to the “add appointments” page.

- Users will be able to search and choose patients ID from the input field.

- Hover effects for close.
- Upon clicking, notify users to save the changes made.
- Users will be navigated to appointments main page,

- Patient's name will be auto generated upon choosing the patients ID.

- Users will be able to click and choose the time (page 11).
- Each date and time is limited to one patient at a time.

- Users will be able to click and choose the date on calendar (page 11).
- Each date and time is limited to one patient at a time.

- Doctor's name will be auto generated upon choosing the doctors ID.

- Users will be able to search and choose doctors ID from the input field.

- Hover effects for submit button.
- Upon clicking, users will be navigated to queue page.

The screenshot shows the 'CLINIC+RE' logo at the top left. Below it is a sidebar menu with icons and labels for: Patients, Appointments (highlighted), Diagnostic Report, Billing, Expenses, Inventory, Medical Certificate, Financial Reports, and Backup & Table Setup. The main content area is titled 'APPOINTMENTS' and contains a form with the following fields: Patient ID (dropdown), Patient Name (text), Date (calendar icon), Time (clock icon), Doctor ID (dropdown), and Doctor Name (text). A 'SUBMIT' button is at the bottom of the form. A date 'February 4, 2020 08:23' is displayed at the top right. A search bar with a magnifying glass icon, a settings gear icon, a bell icon, and a user profile icon are also visible at the top right. Red lines connect various parts of the form to callout boxes: from the Patient ID dropdown to a box about searching for patient IDs; from the Patient Name field to a box about auto-generating the name; from the Date field to a box about choosing dates on a calendar; from the Time field to a box about choosing times; from the Doctor ID dropdown to a box about searching for doctor IDs; from the Doctor Name field to a box about auto-generating the name; from the SUBMIT button to a box about hover effects and navigation; and from the top right close button (an 'x' in a circle) to a box about hover effects and saving changes.

- Upon clicking the add button, users will be able to proceed to the “edit appointments” page.

- Hover effects for close.
- Upon clicking, notify users to save the changes made.

The screenshot displays the CLINICORE web application interface. The header includes the logo, the date 'February 4, 2020', and the time '08:23'. A sidebar on the left lists various modules: Patients, Appointments (highlighted), Diagnostic Report, Billing, Expenses, Inventory, Medical Certificate, Financial Reports, and Backup & Table Setup. The main content area is titled 'APPOINTMENTS' and features a form for creating or editing an appointment. The form fields are: Patient ID (JA1911000004), Patient Name (JANE DOE), Date (04/02/2020), Time (10.30 A.M.), Doctor ID (JA001), and Doctor Name (DR. JOHN DOE). A 'SUBMIT' button is located at the bottom of the form. A red line points from the top-right corner of the form to a close icon (a circle with an 'X') in the top-right corner of the page. Another red line points from the bottom-right corner of the form to a save icon (a floppy disk) in the bottom-right corner of the page.

- Hover effects for save button.
- Upon clicking, users will be able to save.
- Once saved, icon will change to modify. (page 15)
