- Use the exit animation (fade) for this.

The screenshot shows a web application interface for 'CLINIC+RE'. The header includes the logo, a welcome message 'Welcome, your title!', and navigation icons for search, settings, notifications, and user profile. A sidebar on the left lists various medical and administrative functions. The main content area is titled 'MY PROFILE' and contains a form for updating user information. A green checkmark icon and the text 'Your profile has been successfully updated' are displayed at the top of the profile section, enclosed in a red dashed box. A red arrow points from a text box on the left to this message. Another red arrow points from a text box on the right to a close button (a circle with an 'X') located in the top right corner of the profile form.

**CLINIC+RE** Welcome, your title!
